

Spring 2011 Cool Choices

Up to \$1,100 Rebate

During the Cool Choices promotional periods, Carrier offers consumers an incentive to purchase and install a new heating and cooling system in their homes.

This spring, Carrier is offering consumers an incentive to purchase and install a new heating and cooling system in their home—the better the system, the bigger the rebate.

Additional rebates may also be available on other heating and cooling accessories. Call Lafayette Heating & Cooling for specific details.

Key promotion dates to keep in mind:

Sales must be made from March 1,-- June 30, 2011

Installations must be made from March 1—July 15, 2011

Rebates claims must be made from March 1—July 31, 2011 (6pm CT)

Lafayette Heating & Cooling is your local Factory Authorized participating dealer.
